

# *Brecon Grammar School Old Boys' Association*

## *Newsletter March 2003*

Your Committee has decided that a newsletter should be circulated to former Old Boys at the same time as they receive an invitation to the annual dinner. If you know of any Old Boys who do not come to the dinner, but would like to receive this annual newsletter please send their names to Des Isaac, 4 South Court, Park Terrace, Llandrindod Wells, LD1 6AU: [des.isaac@btinternet.com](mailto:des.isaac@btinternet.com). The purpose of this brief annual Newsletter is to keep Old Boys informed of any significant developments concerning the Association and to record, briefly, significant news regarding Old Boys. The latter objective can only be achieved if Old Boys provide the information. News about the death of former pupils of the Boys' Grammar School, should, **if possible**, include the following details:

Name and age of the Old Boy  
Address (e.g.town, village, farm - whatever can be supplied) when in school  
Dates in school and House  
Any notable academic or sporting achievements while at school

And, if known, a very brief description of what the Old Boy did after leaving school.

This information should be sent to Ken Jones, Byddwn Uchaf, Llanhamlach, Brecon LD3 7SU: [ken@tkjones.zx3.net](mailto:ken@tkjones.zx3.net).

### **Future of the Association**

At the last dinner the President of the Association, the Rev. Geraint Hughes, in an eloquent and amusing address, considered the issue of the long-term future of the Association. He pointed out that it is inevitable that an Association of former pupils of a school, which closed in 1971, will eventually have no members! The same situation faces the more informal gathering of former pupils of the Girls' School. Consideration therefore needed to be given as to whether eventually there should be an Association of former pupils of all the state secondary schools in Brecon. The Rev. Hughes pointed out while such a development might be years away it would seem to be appropriate as a first stage in this process to try to bring about a closer relationship with the Old Girls' 'Association'. Your Committee has agreed that the following steps should now be taken:

\* Old Girls should be invited to the Annual Reunion and Dinner. If members know the names and addresses of any Old Girls who they believe might be interested in attending the Annual Dinner these should be sent to Des Isaac.

\* Old Girls should be invited to participate in the Annual Armistice Service in the High School. It is known that some Old Girls died during World War II, as the result of enemy action when serving as nurses, and it is possible that others were killed while working in munitions factories, in the armed service or in accidents in the Women's' Land Army. If you know of such instances please let Des Isaac know. The names of these girls will then be added to the role of honour read out at the Armistice Service.

\* A working party of two Old Girls and two Old Boys should be established to consider methods of further collaboration, for instance, a social evening.  
If you have any views about these proposals please contact Des Isaac.

## Armistice Day Service

Twenty-five Old Boys attended the Armistice Day Service held in the High School and were impressed by the dignity and solemnity of the occasion. The Rev. Geraint Hughes and Colin Eaves, the Head Teacher, conducted the Service. All the pupils attended and the youngest and oldest ones read appropriate poems. This annual event in the High School reflects great credit on the staff and pupils. All former pupils of both Grammar schools are welcome and we hope to see more there next year.

## Cliff Carr Memorial Prize

This prize was established two years ago to commemorate Cliff Carr's (1937-42) dedicated service as Chairman of the Old Boys' Association for twenty-five years. £3,000 was contributed by Old Boys to provide the income for an annual prize of around £100 for a pupil in the High School, nominated by the Head Teacher, entering higher education, preferably to study sports science or physical education. The prizewinner in 2002 was Gareth Bufton. Captain of the High School Soccer 1<sup>st</sup> XI he also represented the County, at under 15 and under 18 and played for Cardiff City F.C. under 15's. He represented Wales in the U. K. National Junior Golf Championships. A member of Brecon and Radnor Senior Golf Team he plays off a handicap of 5!

## **Finance**

All Old Boys are members of the Association and there is no membership fee. However, many Old Boys, whether or not they attend the Annual Reunion Dinner, send welcome donations to the Association at that time. We are able therefore to cover our modest expenses and make small donations to various worthy causes, such as the British Legion, Parkinson's Disease Research, the Youth Centre in the old Grammar School and the High School.
